

## **Genworth's Licensing/Master Policy Practices and Procedures**

### **Licensing Credentials**

Genworth Mortgage Insurance Corporation ("Genworth") is domiciled in the state of North Carolina, licensed in all 50 states, District of Columbia and United States Virgin Islands and an approved mortgage insurer by both Fannie Mae and Freddie Mac.

Our sales representatives are licensed as required under applicable state law. License applications, renewals, appointments and terminations are monitored and processed as required under state law.

### **Master Policy**

Genworth's Master Policy of insurance and all endorsements are available via Genworth's Regulatory Vendor Due Diligence website.

### **Licensing Documentation**

Genworth has Certificates of Authority available for each state – some are perpetual and others expire annually. We are able to provide a full list of state licenses upon request.
